

# MVR DRIVER'S LICENSE REQUIREMENTS AND ORDER GUIDELINES

Effective 11/16/2022

The following is a list of states and the required format for drivers license numbers when processing MVR requests through iX. Many states will search for an alternate match on an MVR if full driver's data is provided and the license number is not found. Please note, when alternate search capabilities are available, the information provided must match what is listed on the driver's license. If the drivers license number does not match the format shown here, please check the actual driver's license and call iX for assistance at (800) 683-8553.
